Mentoring program

@ String community

A screenshot of a website banner for the 'String theory Mentoring' program. The banner features a background illustration of two stylized figures, one orange and one blue, interacting with various geometric shapes representing string theory concepts like spheres, rings, and vertices. At the top left is the logo and text 'String theory Mentoring'. At the top right is a navigation menu with links: 'Home', 'What mentoring is', 'Apply', 'Who we are', 'Feedback form', and 'Contact us', followed by a search icon. The main text in the center reads 'Apply as a mentee or a mentor' in large, bold, black font, with 'Before September 10, 2023' below it. At the bottom, there is an orange bar containing two white buttons: 'Apply as a mentee' and 'Apply as a mentor'.

If you are willing to help in the organization: please contact us at mentoring.strings@gmail.com
