

**Session Program**

**May 8 - 12, 2023**

**Quantum and AI Career Trajectories Mini-Course: Computational Methods and their Applications**

**Not Available ONLINE**

Perimeter Institute for Theoretical Physics, Time Room

## Tue, May 9

3:30 PM

5:00 PM

**Not Available ONLINE: TUTORIAL: Tensor networks and quantum simulations**

**Session** | **Location:** Perimeter Institute for Theoretical Physics, Time Room

## Wed, May 10

3:30 PM

5:00 PM

**Not Available ONLINE: TUTORIAL: Generative modelling**

**Session** | **Location:** Perimeter Institute for Theoretical Physics, Time Room

## Thu, May 11

2:00 PM

**Not Available ONLINE: TUTORIAL: Tensor networks and quantum simulations**

3:15 PM

**Session** | **Location:** Perimeter Institute for Theoretical Physics, Time Room

4:00 PM

**Not Available ONLINE: Industry: Networking sessions**

5:30 PM

**Session** | **Location:** Perimeter Institute for Theoretical Physics, Time Room

## Fri, May 12

2:00 PM

3:30 PM

**Not Available ONLINE: TUTORIAL: Generative Modelling**

**Session** | **Location:** Perimeter Institute for Theoretical Physics, Time Room
